"RITA PAD" The Leader of industrial Pad Printing Technology in India presents their latest state of Art "Little Genius MNG 100 GF Machine".

The versatile MNG 100 GF is not only economical but also has many added advantages such as speed as high as 2400 strokes / hr and can print on bigger size products.

The MNG 100 GF single color is based on entirely new concept and is equipped with latest controls & Micro Processor based Control Panel with four digit Counter allowing flexibility and Reliability in machine programming.

The mounting table can be customized as per the job requirement (as an optional attachment) which results in complete freedom to the user.

"RITAPAD" offers accessories to suit your own particular need "especially high quality long lasting Pads, Cliche Plates" that give upto a million impressions, training are a part of complete Pad Printing solution offered by Rita Pad, the only Organization in the country to do so.

SPECIFICATIONS - MNG 100 GF

Printing image max.	Dia 85 mm
Printing capacity max.	2400 strokes/hr
Cliché Plate	- 10 mm printing plate - Long Life thin plate - Polymer plate
Cliche Size	210 x 100 x 10 mm
Height of object max.	Any size depending on machine mounting
Tampon stroke max.	160 mm
Force of pressure max.	434 N
Setting	Each working movement can be independently actuated by push button and mode- selector switch
Control	Electro- Pneumatic
Control Voltage	24 V
Electric supply	220 V, 50 Hz, 110 V (available on request)
Current consumption	15 W
Drive	Pneumatic
Pneumatic connection	Working pressure 5-6 bar nominal width 6 mm
Air consumption max.	0.6 m3/hr.
Dimensions (LxHxW)	500 x 155 x 630 mm
Weight (Approx)	35 kg
